PROFILE

Dedicated and enthusiastic Frontend Developer with a strong foundation in web development, equipped with less than 6 months of professional experience in creating visually appealing and user-friendly websites. Proficient in HTML, CSS, JavaScript, and responsive design. Demonstrated expertise in collaborating with cross-functional teams to deliver high-quality projects within deadlines. Seeking an opportunity to leverage my skills to contribute to a dynamic organization

WORK EXPERIENCE

Frontend Developer (Course)

Gomycode Yaba July 2023 - November 2023

- Developed and implemented efficient and responsive frontend designs using HTML, CSS, and JavaScript, resulting in improved user experience.
- Collaborated with cross-functional teams, including UX designers and backend developers, to develop and maintain high-quality web applications, ensuring seamless integration of frontend and backend components.
- Conducted thorough code reviews and implemented best practices to optimize website performance and maintain code quality.
- Utilized modern frameworks and libraries such as React.js and Material UI to create dynamic and interactive user interfaces, improving overall website functionality and user engagement.

Ag. Head, Sales & Marketing

Estate Links Ltd/Gbenga Olaniyan & Associates March 2023 - May 2023

- Leadership and Team Management: I stepped into the position during a transitional period and effectively managed the sales team, providing guidance, support, and motivation to ensure they continued to meet and exceed their targets.
- Strategic Planning: I actively participated in the formulation of sales strategies and plans, helping the company adapt to evolving market conditions and aligning sales efforts with the company's overall objectives.
- Sales Performance: I implemented and monitored key performance indicators (KPIs) to evaluate the team's performance, making data-driven decisions to improve sales processes and increase revenue.
